I. Sunday Morning – Matthew 28:1-8

II. The Eye Witnesses – Acts 2, 3

John Ortberg: ‘One of the unique aspects of Christianity compared to other faith movements is that it actually traces its origin to one particular event in one moment on one day in history. This is not true in Judaism or Buddhism or Islam or atheism. But one day there was no such thing as a church, and then suddenly overnight there was.’

Persecuted Church: Christians in India are facing increased opposition and imprisonment from Hindu nationalists, who seek to eradicate their witness for Christ and establish a purely Hindu nation. Despite beatings, arrests and even the murder of loved ones, persecuted Christians in India faithfully continue to advance God's kingdom. Continue to pray for them.
