**Ushers:** We would like to have the ushers at the back of the sanctuary before the morning service. Please help people find a place to sit, especially those coming in late or looking for their family. We would encourage the ushers to also play the role of greeters and make everyone feel welcome as they come into our church.

Thank you for your help!  
The Usher Committee

If you are unable to usher on your Sunday, please find your own replacement or contact one of the men on the Usher Committee. Thank you.
