

When He Shall Come

Romans 11:25-27

Pastor Jerry Morningstar

April 19, 2026

I. The Fullness of the Gentiles - v. 25

II. Thus All Israel Will be Saved - vv. 26-27

Renald Showers: '[the] prophetic passages indicate a future restoration of Israel to their homeland; A national conversion to righteousness. They will dwell securely in complete safety. They will no longer endure the insults of the nations. No one will make them afraid. The Messiah, the righteous branch of David, will reign over them as their king. They will recognize their true God . . . none of these things is a reality for the Jews in the present state of Israel. These conditions will not become a reality until the Messiah comes in His Second Coming to reign as king.'

We would like to thank everybody for praying for Nate as he's going through this process of taking this radioactive iodine. We definitely feel all the prayers coming our way. God is good, and we trust in Him that He is taking care of this cancer. ~ Nate & Tabitha W.
